Intuit grants you permission to access and use the Site for your personal, non-commercial use. You may not download (other than page caching), or modify any portion of it, except with the express written or e-mailed consent of Intuit. Your permission to use the Site does not include any resale or commercial use of the Site or its contents whether provided by Intuit or registered Users contributing content in message boards, chats, blogs, wikis or other consumer-generated-content tool; or any derivative use of this Site or its contents; or any use of data mining, robots or similar data gathering and extraction tools or processes. By using the Site, you warrant to Intuit that you will not use the Site, or any of the content obtained from the Site, for any purpose that is unlawful or prohibited by these Terms. If you violate any of these Terms, your permission to use the Site automatically terminates.

In order to submit Postings or set personal preferences for use on the Site, you must complete the registration process. As part of the registration process, you are required to select and use only one username. You can register a second user name, if you like, but your original Postings will only be associated with your first user name. The information that you supply during the registration process must be accurate and complete and you agree not to (i) register under the name of another person; (ii) choose a user name that may be deemed offensive; (iii) choose a username for the purposes of deceiving or misleading Site Users as to your true identity; (iv) choose a user name that incorporates a solicitation (e.g., yoursitedotcom, yourproduct, yourservices); or (v) violate the intellectual property or other rights of any person or entity. You agree to not impersonate any other person, including any other Site User, Moderator (Host) or any Intuit employee, Officer or Director.

You agree to notify Intuit immediately of any unauthorized use of your account or any other breach of security. Intuit will not be liable for any loss that you may incur as a result of someone else using your password or account, either with or without your knowledge. However, you could be held liable for losses incurred by Intuit or another party due to someone else using your account or username. You may not use anyone else's account at any time, without the permission of the account holder.

Your email address, last name, age and zip code on your registration will remain confidential and used in accordance with Intuit's Privacy Statement. However, some Online Communities permit you to change your last name and email address on your registration to "public" in your member profile. It will then be available to other registered Users of the Site. Additional information provided in your registration such as Products and Services used and Industry may be used by the Site to provide you with content unique and personalized to you and other registered Users with similar profiles.

You must maintain and promptly update your registration data as necessary to keep it true, accurate, current and complete.

If, after investigation, Intuit has reasonable grounds to suspect that any Registered User's information is untrue, inaccurate, not current or incomplete, Intuit may suspend or terminate that Registered User's account and prohibit any and all current or future use of the Site (or any portion thereof) by that Registered User other than as expressly provided herein.

Intuit reserves the right, in its sole discretion, to edit or remove any Postings on the Site containing phone numbers, street or email addresses or otherwise personally identifying information as it cannot verify such information or confirm the desire of said information to be posted by the individual to which this information pertains.

#### **Content and Registered User Generated Content Management.**

Intuit has no obligation to monitor Postings or other materials. However, Site Moderators (Hosts) may monitor the Site's Postings. Each User must evaluate and bear all risks associated with the use of any content, including any reliance on the accuracy, completeness, or usefulness of such content. Please report objectionable content to the Site by sending an email to the email address identified on the home page of the Site.

Registered Users may include hypertext links in Postings to content hosted and maintained by third parties so long as the content on such sites, if posted in the Site, would not violate the Terms. Intuit exercises no control whatsoever over such other websites and web-based resources and is not responsible or liable for the availability thereof or the content, advertising, products or other materials thereon.

Clicking on links to such sites is done so at the User's own risk. Intuit and the Site staff reserves the right to review any Postings and to remove or refuse to remove or post any Postings in its sole discretion. Intuit will not sell, publish or share your Feedback in a way that could identify you without your explicit permission. You agree that Intuit may publish your username in connection with your Postings. By submitting Feedback and Postings, or any other material to the Site you agree that Intuit will treat such submissions as non-confidential, that Intuit can use such submissions without any compensation to you or to any other person or entity, and that Intuit may have already developed, or is in the process of developing, and is not restricted in any way from developing and marketing, products, services, functions, features or plans similar to or competitive with any described in such submissions from you. For that purpose, Intuit may at its election designate Intuit employees and/or outside entities to act as Moderators for the Site. The Moderators are not obligated to review all Postings, nor do they edit Postings. You assume the risk of reading and acting upon information from any Postings made by a Moderator or other individual within the Site.

### **Promotions and Solicitations**

You agree that, except with Intuit's prior consent, you will not (either in your Postings or in your profile) solicit or promote any products or services, self-promote, or implore readers to take actions that are intended to further a personal purpose or financial gain, except for links to the Intuit-approved Marketplace. You agree you will not use information supplied within the Site to do any of the foregoing, via email or any other method. You agree to not gather public email addresses made public in the Registered User profiles and use for your own purpose. You agree not to promote, link to or encourage others to join or participate in competing sites that provide message boards, forums, chats, blogs or other interactive elements with the intent of harming the flow of information and/or participation at the Site. You agree that you will not use the

Site to solicit or promote surveys, contests, chain letters, junk email, or any duplicative or unsolicited messages (commercial or otherwise).
